

We would like to introduce residents to your new recycling service partner, BluPlanet Recycling Inc.

We will soon be setting up a new collection site in your building but before collection begins, here is some important information on what types of materials we recycle.

BluPlanet Recycling will accept all of the following materials in our ***mixed materials*** bins:

- Clean plastic containers with the recycling symbol 1 – 7
- Liquid detergent, fabric softener and shampoo bottles, plastic clamshell trays, yogurt and margarine containers.
- Plastic bags and plastic wrap
- Newspapers and paper inserts
- Catalogues and magazines
- Paper (e.g. letters, envelopes, greeting cards, brochures, non-foil gift wrap, paper bags)
- Cardboard
- Telephone books and paperback books
- Shredded paper
- Clean jars and bottles
- Clean metal food and beverage cans
- Metal lids and caps
- Clean aluminum foil, aluminum plates and containers

Please note that all of the above materials will be accepted for removal and can be placed into the mixed material bins, however, we request that all residents please visit our website at ***bprecycling.ca*** for more details on how to recycle using our program.

We look forward to working with you!
